

A positive plan for Gravesend's historic riverside

A positive plan for Gravesend's historic riverside

Dear Adam,

Dear Mr Snelling,

As a resident of Gravesham, I support the call for Gravesham Borough Council to conduct a full public consultation into the regeneration of the Heritage Quarter before Edinburgh House re-submit any revised planning application.

As a resident of Gravesham, I support the call for Gravesham Borough Council to conduct a full public consultation into the regeneration of the Heritage Quarter before Edinburgh House re-submit any revised planning application.

I also support Urban Gravesham's positive suggestions for the Heritage Quarter using traditional architectural designs and buildings which reflect Gravesend's unique riverside history.

I also support Urban Gravesham's positive suggestions for the Heritage Quarter using traditional architectural designs and buildings which reflect Gravesend's unique riverside history.

I hope you will use your influence as our elected representative to urge both Council and developers to engage with the local community in a spirit of co-operation to achieve the regeneration scheme our town deserves.

I urge the Council and developers to engage with the local community in a spirit of co-operation to achieve the regeneration scheme our town deserves.
